

3. REPORTING AND REVIEW.

a. The state comptroller shall periodically and at least annually review the implementation of educational leave and educational assistance programs by state agencies.

b. The head of each state agency, department or commission shall report to the state comptroller and the legislative council not later than October 1 of each year the direct and indirect costs to the agency of educational leave and educational assistance granted to agency employees during the preceding fiscal year. The report shall include an estimate of costs saved by the state agency, department or commission through the use of educational leave and educational assistance. As used in this subsection "indirect costs" includes but is not limited to, adjustments in employee work assignments and agency operations necessitated by educational leave or assistance.

c. The report to the state comptroller and legislative council shall identify the relationship of each course to the employee who is granted educational leave and how the course may improve the employee's job performance or the task to be accomplished within the agency.

d. The report to the state comptroller and the legislative council shall also include:

(1) The number of employees who were granted educational leave and the amount of tuition reimbursement allowed by the department, agency or commission.

(2) The number of employees who were granted a leave from work to attend the classes and who continued to receive their salary and the number of hours of work which those employees were excused.

(3) The number of employees who were granted a temporary leave of absence from work to attend the classes without pay and the amount of time missed.
